### SUMMARY

I am a B.Tech graduate in Computer Engineering with a strong passion for full-stack web development. I specialize in the MERN stack and have hands-on experience building scalable and efficient web applications. I am dedicated to writing clean, maintainable code and continuously improving my skills. I thrive in collaborative environments and enjoy contributing to innovative and impactful software solutions.

### WORK EXPERIENCE

#### Skytech Training Institute ( MERN Stack Developer )

Jan 2025 – Aug 2025

Completed a 6-month internship as a MERN Stack Developer at Skytech Training Institute. Gained hands-on experience in developing full-stack web applications using MongoDB, Express, React, and Node.js. Worked on real-world projects involving REST API development, frontend-backend integration, and end-to-end deployment of scalable web solutions.
